Summary
 Dot the puppy is covered in red spots, so mum takes her to Dr Woof. The doctor gives her a green boric to chew, but at first Dot's spots just turn green. As he searches his books for a cure, the vet notices that Dr Woof now has red spots ... but Dot's spots have gone!

Cur. Ref.	Objectives	APP Assessment Focus

Reviews

The most effective pdf i ever go through. It is probably the most incredible book i have got study. You wont sense monotony at at any time of the time (that's what catalogues are for relating to if you check with me).

-- **Ahmad Heaney**

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Mrs. Josiane Collins**
