Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The purpose of this book is to describe the many heroic sacrifices made by African-Americans in protecting and serving the nation from its enemies. These acts of valor were made for a nation that was structurally resentful against African-Americans until the triumph of the Civil Rights Movement. Black veterans of World War II were integrally involved in the leadership and sacrifices made to end Jim Crow and its functionally separate and unequal or inferior treatment of blacks. These veterans of the fight abroad and at home are highlighted, including service medals awarded and those worthy but not yet acknowledged for the highest honors. The road to an inclusive and diverse armed services has taken veterans from humiliation, racial violence, discrimination and resistance to inclusion. This inclusive-ness is not finite as their involvement is now being threatened by disproportionate downsizing and displacement by a private army. Therefore, the struggle that has cost the lives and livelihood of so many black veterans in the past is being challenged along with gains incurred by the Civil Rights...
