Or maybe you uses marijuana for medical purposes? Are you looking to try marijuana in other ways than smoking? In this book you will learn how to make your own cannabis extracts and be able to make brownies, canna butter, and even oils. This book is meant for those who are looking for additional ways to get the effects of marijuana without necessarily smoking it. Taking the information that you learn in this book, you will be able to find new and possibly exciting ways for you to consume cannabis. You may have tried some of these extracts and we give you a method to make them on your own with simple instructions. Cannabis extracts are the extracted oils that you can get from a cannabis plant and use the same way that you would the cannabis, except that they will give you a different feeling than you would experience from normal cannabis. Extracts can come in either oil form, dabs, canna butter, edibles, or many others. Each has its own specific way to be made and each has its own property that can cause varied effects on your body. Cannabis oil can actually be used to help with medical conditions that many people suffer from such as cancer, Crohn s disease, gout, diabetes, pain relief, fibromyalgia, asthma, arthritis, migraines, and many other diseases. Cannabis dabs give a high dose of medicine to people who suffer from extreme nausea or chronic pains because it gives them...
