DAW. Paperback. Condition: New. 400 pages. Dimensions: 6.8in. x 4.2in. x 1.0in. Amber Treganis constantly reinvents herself. New clothes, new hairstyle, new car anything she can do to exert a level of control over her life. What she can't control is her shape-shifting other self: the Wer Cougar that sinks its claws into her brain during the three nights surrounding the full moon. Though she is a natural-born shifter from a prominent Wer Cougar family, Amber has been unwilling to change into her cat form ever since a terrible tragedy cost her the man she loved. And she has little patience with Wers of any species who embrace their otherness more than their humanity. She focuses on her life as a defense attorney in Mt. Hood, and stays out of Wer politics. But after a blurry night of hunting, Amber begins to notice changes in her transformation. When she hears rumors of research to discover a treatment for shifting, she suspects she may have been unknowingly given the experimental therapy. With the help of Adler, a Wer Eagle active in community politics, Amber tries to hunt down the truth about this cure, while staying off the radar of the FBI, which tracks and manages Wer communities in secret. But Amber doesn't realize how much she depends on her Wer sense until, one by one, they begin to fade. And Amber is left increasingly ill and increasingly human. Can a shifter who is losing her abilities survive for long in either human or Wer society? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Mass Market Paperback.
