Né en Allemagne et en Angleterre, le romantisme s'impose à l'Europe entière au début du XIXe siècle, balayant tout sur son passage. Mais c'est en France qu'il connaît sa manifestation la plus éclatante suite aux désillusions provoquées par la Révolution. Dans les lettres, l'école romantique française, avide de...

Reviews

This publication will never be effortless to get started on reading through but very fun to read. It is actually loaded with knowledge and wisdom. You will not truly feel monotony at anytime of the time (that's what catalogues are for about in the event you check with me).

Comprehensive information for book fans. It is one of the most amazing book I actually have read. Once you begin to read the book, it is extremely difficult to leave it before concluding.
