### **Reviews**

*A superior quality publication and the font employed was exciting to read through. It is among the most awesome book i have read. I am effortlessly could get a enjoyment of reading a created publication.*  
*(Ettie Kutch)*

## NURSING AND CARE OF THE NERVOUS AND THE INSANE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Nursing and Care of the Nervous and the Insane IN the present edition of this work the author, with the assistance of Dr. Yawger, has endeavored to bring it more nearly up to date. Such a book cannot be regarded as giving all the information necessary to be known by nurses concerning patients suffering from nervous and mental maladies. Useful anatomical and physiological data are to be found in the volumes upon anatomy prepared for nurses and in more general treatises. The book is chiefly intended to recall facts regarding nursing obtained by experience. Attention has been particularly directed to some new facts regarding epilepsy, fibrositis and insanity. New illustrations of the charts and the apparatus most useful in electrical practice have been added. The unusually fine motor point plates from Dr. Toby Cohn's excellent work on Electro-diagnosis and Electro-therapeutics have been obtained through the courtesy of the author and his publishers. Instruction regarding hydrotherapy, not included in previous editions, has been incorporated. The author trusts that the book in its revised form will be found more useful than previous editions. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
