*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).*

Seven Seas Entertainment, LLC, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Magical Girl Apocalypse is an ongoing manga series that is a mash-up of the magical girl and zombie genres. What happens when you mix the lighthearted magical girl trope with the sort of gory ultraviolence seen in the Walking Dead? The result is Magical Girl Apocalypse, a unique dark parody that features striking artwork and pulse-pounding storytelling. High-schooler Kii Kogami is stuck in a rut, loathing the monotonous doldrums of his everyday life. If only something exciting were to happen, something magical. As fate would have it, Kii is about to get his wish, but in a way more terrifying than anything he could have imagined. When a little girl clad in gothic lolita attire appears at school and starts to gruesomely bludgeon, dismember, and mutilate all who cross her path, while chanting the mantra Magical Girl under her breath, the school devolves into a state of bloody chaos. Just how will Kii escape from this murderous magical girl? To make matters worse, the magical girl's victims reanimate and join her killer rampage. Is there no way out of school for hapless Kii Kogami? And even if he escapes, what will be left of the world outside.
