This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

Zen Publications, Mumbai, India, 2003. Paperback. Book Condition: New. Dust Jacket Condition: New. First Edition. There is a vast area of confusion for spiritual seekers, part of which centres around two questions: What exactly is self-realization? What does it precisely mean? and, How does a self-realized one live his daily life? Does he continue to have a daily life like any ordinary human being? What did he get through self-realization that he did not have earlier? Confusion No More brings relief to seekers, clearing their cobwebs of confusion with incisive clarity, clear understanding and deep compassion. Ramesh's modern, eloquent and simple Teachings have touched thousands of seekers from around the world over the past 20 years. His timeless message, his compassionate approach, his jargon-free simplicity have made him a leading teacher of Advaita, non-duality. Confusion No More is a combination of some original writing and other material drawn from his three much-loved books - Who Cares, Sin & Guilt and The Infamous Ego. Printed Pages: 256. Size: 14 Cms x 22 Cms.
