Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.

Anness Publishing. Board book. Book Condition: new. BRAND NEW, Sparkly Learning: First Opposites, Caroline Davis, This is a colourful first opposites book in a chunky boardbook format with sparkly foil detail throughout. From big and small to hot and cold, learn all about opposites with lively pictures set in a number of different scenes, including busy airport, garden fun, shopping time, park playtime, and working at the garage. It includes interactive spot-the-picture games on each page to help first readers identify and learn new words. Other titles in the "Sparkly Learning Series" include "First ABC", "First Numbers", "First Words", "First Animals" and "First Pictures". This delightful early learning book is the perfect way to introduce your child to opposites. Invite your child to spot opposites in a variety of everyday scenes, from big and small planes at the airport to long and short pets at the shops. You can look at the objects that appear on the left-hand page. Then, encourage your child to find and name them on the right-hand page. In every picture, there are lots of extra objects for your child to look for. Shiny foil throughout makes every page a delight.
