Access Consciousness Publishing Company, 2018. Hardback. Condition: New. Nathalie Beauvois (illustrator). Language: English . Brand New Book. From Dr. Dain Heer and Katarina Wallentin comes an enchanting story full of magic and yes--unicorns!--that will melt your heart, your world and everyone around you! Inspired by the birth of a friend's daughter, Heer came up with the idea to The Baby Unicorn Manifesto as a reminder of the unlimited potential we each carry into this world at birth. Together, they hope to inspire generations of baby unicorns by questioning what we believe is possible. What if children were told they are a gift from the moment they are born? That they can be and do absolutely anything they want? What if children were told daily how grateful we are for their existence? What could they create then? What would be possible then? Heer suggests. Wallentin agrees. If I could gift my daughter one thing, it would be for her to know, without a shadow of a doubt, that she is not only enough; she is unique, perfect, amazing and so loved. It seems so basic, and yet, that knowing creates magic. Big magic, she says. Easy to read and exquisitely illustrated, The Baby Unicorn Manifesto is about the magic and possibilities on our beautiful planet, where we are only limited by our imagination. The story is co-authored with Katarina Wallentin and the illustrations are done by Nathalie Beauvois. . Dr. Dain Heer is the author of the best-selling book, Being You, Changing the World. He is an energetic virtuoso and world-changer and includes baby-whispering as one of his lesser-known specialties. He lives in Texas, USA, and this is his first children's book. Katarina Wallentin is an avid explorer of the magic that is truly possible on this beautiful planet...
