

CROATIA: A Nation Forged in War

By MARCUS TANNER

Condition: New. In this book, an eyewitness to the breakup of Yugoslavia provides the first full account of the rise, fall and rebirth of Croatia from its medieval origins to today. Tanner describes the creation of the first Croatian state; its absorption into feudal Hungary in the Middle Ages; the catastrophe of the Ottoman invasion; the absorption of the diminished country into Habsburg Austria; the evolution of modern Croatian nationalism after the French Revolution; and the circumstances that propelled Croatia into the arms of Nazi Germany and the brutal, home-grown 'Ustashe' movement in the Second World War. Finally, drawing on first-hand knowledge of many of the leading figures in the conflict, Tanner explains the failure of Tito's Communists to solve Yugoslavia's tortured national problem by creating a federal state, and the violent implosion after his death. Readable and stimulating . . . Long-overdue corrective to the onesidedly negative view long entertained about Croatia by the educated British public. TIMES HIGHER EDUCATION SUPPLEMENT.
