

Jeff Chien-Hsing Liao New York

Filesize: 3.55 MB

Reviews

It is a single of my favorite publication. I have read and so I am sure that I will likely to study again once again down the road. I am delighted to let you know that this is basically the greatest publication we have read inside my own life and might be the best pdf for possibly.

Aperture. Hardcover. Condition: New. 160 pages. Dimensions: 8.3in. x 5.9in. x 0.9in. With painstaking care and the use of multiple exposures, Jeff Chien-Hsing Liao crafts each of his images with technological precision. Shooting primarily with a large-format film camera, then scanning and digitally editing the negatives, Liao creates enormous, detail-driven panoramas of the social and urban landscape of New York. This oversized monograph includes photographs taken over the last ten years. From rehabilitated Coney Island to the Grand Concourse in the Bronx, from the demise of Shea Stadium in Queens to the newly rebuilt One World Trade Center, Liao has created a lasting document of a significant period of transformation in New York's skyline and social fabric. His unique perspective on New York is both personal and hyperreal, managing to capture both the lasting charm of the city's well-known landmarks as well as the moment when New York entered the twenty-first century. Jeff Chien-Hsing Liao (born 1977) first received recognition with his series *Habitat 7*, which was featured in the September 11, 2005, issue of *The New York Times Magazine* as the winner of the Capture the Times photography contest. His work has been exhibited at the J. Paul Getty Museum, Los Angeles; Museum of the City of New York; Queens Museum of Art; and Bronx Museum of the Arts. Born in Taiwan and raised in Vancouver, Canada, Liao lives in Queens, New York. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
