(Dr. Carmine Hammes)

DON T LABEL ME! (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Some people are destroyed by life s events. Some survive. Others stare fate in the face and make their own lives anyway. George, Sathi and Hideo are such people, refugees and survivors of the unexpected. This is the story of their journey towards destiny and their mates. This book, number five in the series, continues the story of Boswell and its paranormal inhabitants. Now, in another dimension, Boswell must sort out where it stands with its various allies and how it will govern itself. Unbeknownst to the local rubbish truck driver, Ang, she is about to become Boswell s ambassador to the Delphines. Journalist Phoenix O Halloran is trying to cover all the happenings in Boswell but things keep getting in the way, not the least of which is her subconscious which has acquired a voice of its own. As daily life unfolds a threat far greater than their arch enemy, the Din, is headed the planet s way.
