Our dreams represent the urgings of our soul, pushing us to change, grow, become successful and stop sabotaging ourselves. So many of us dismiss these as -only dreams.- But what if you could make use of the information given to you in dreams? In Rosin Dubh: The Irish Dream Catcher, author and psychic medium Rosemary Dawson presents the secret code to unlocking the symbolism of dream language. She shares a method that has been handed down by her family, through a long line of healers, psychics, and clergy with deep spiritual connections. Dawson offers a foolproof method for contacting relatives who have passed over, along with a simple technique of demystifying the messages that the soul sends. Through this unique four-step method presented in anecdotal style, you can easily access all the help that those in spirit are waiting to give you. This guide to understanding dreams and the messages given within them seeks to help you develop your intuition and grasp the opportunities available to you through the spirit world.
