Intensivecareforyou.com, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excellent book ! Very practical concepts/interventions which result in very positive outcomes. Explanations of the reasons of the day-to-day challenges encountered by children on the autism spectrum. A wonderful resource for anyone who interacts with children on the spectrum. (Pam Barton, mother and grandmother) Are you tired of not knowing comprehensively what you can do to help the child who struggles with mild autism? They can be bright or gifted academically. You don t understand why they continue to have the same problems over and over. Troubles in school, obeying, extreme emotional responses, not having friends. Start understanding the thinking skills they need, what can truly help them, and watch the improvements by guiding lovingly and effectively. Start investing in the future! Get no-nonsense explanations and resources you can use to help overcome obstacles and expand limits. Brad Mason M.Ed., LSSP, LPC, LPA has worked in public schools for twelve years as a Licensed Specialist in School Psychology, and operates the Autism Clinic Family Counseling Center. He has trained school psychologists, therapists, teachers, and parents through workshops at schools and universities. Brad has conducted and published research about aggression in children and television. Take advantage of over twenty-five years of experience! So your child received a diagnosis. Are you wondering if you need one or even want one? Ultimately you want to know how to better help your child succeed in life. Use this book to: -Understand why they act the way they do and how to help them -Help you decide if they should be tested -Help family members, teachers, and caregivers stop thinking unwanted behavior are the result of bad choices, deficient character, lack of discipline, or poor parenting -Help you feel...
