## Use of Hemant Kanade Factor (Hkf) in Technical Analysis: With Revolutionary Success Rate

By Mr. Hemant Narayan Kanade

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 94 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. A revolution in the success rate of technical analysis. Here is the book you always dreamed about. It explains a new method of technical analysis developed by the authors on the basis of their own experiences. It is a method that is easy to understand and simple to use. Anyone can use it for trading. The method is useful for a novice trader and for the professional intraday traders as well. The method is useful in different types of markets. It can be used for the analysis of a stock, an index, a commodity or a currency. A reader can master the art of using this method only by training his eyes properly. He has to understand how to spot the buying and selling opportunities in a chart. The method should not be automated as it is based upon the observation of charts by the bare eyes only. This method generates a limited number of signals. However, the quality of such signals is very high. In other words, you have a great opportunity to make handsome profits by mastering this method....
