Excerpt from Origins of the English People and of the English Language: Compiled From the Best and Latest Authorities Languages, like nations, have their periods of growth, maturity, and decay, but while nineteen-twentieths of the vocabulary of a people lives in the literature and speech of the cultured classes only, the remainder has a robust life in the daily usage of the sons of toil; and this limited but more persistent portion of the national speech never fails to include the names of those objects which are the most familiar and the most beloved. Such are, for in stance, the names of nearest relatives, father, mother, brother; of the parts of the body; of two or three of the commoner metals, tools, weapons, cereals, domestic animals; of the house, and things found in and near it; of the most striking features in the landscape, the mountain peaks and ranges, the valleys, lakes, and rivers; of the sun, the moon, the stars, the sky, the clouds, etc.; and as at all times, and in every region of the world, these names have had...
