PIT TO LAX: MY STORY WORTHY LIFE (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Carolyn Brunetto (illustrator). Language: English . Brand New Book ***** Print on Demand *****.For Christine Blackburn, the youngest of six kids growing up in Pittsburgh, the idea of living in Los Angeles and working in the entertainment industry seemed like a dream (or at least something you only saw on television). Instead she took a circuitous route-first as a flight attendant, then in the Peace Corps-with some unforeseen setbacks: a rare cancer diagnosis at age 31. With a survivor's renewed sense of urgency, Blackburn finally found the courage to take the leap to Los Angeles and pursue her life as a performer, or at least, as a contestant on The Dating Game. PIT To LAX, My Story Worthy Life is a series of memories about loving, losing, and letting go, which will inspire you and stay with you long after you've left its last pages.
