Pub Date: December 2012 Pages: 258 in Publisher: China University of Political Press Evidence Act is an important sector in the legal system. One of the main task of the trial court is to correct facts of the case. the court can be identified by the fact that only the evidence can prove the fact. The significance of the law of evidence is that it is defined in the court can accept what evidence. what evidence can not accept legal. American law of evidence is developed on the basis of the common law. the law of evidence. but to adapt to the needs of trial practice in the United States. but also made the development of many different from the traditional law of evidence. Evidence Act proposed American law of evidence to the reader to make an introduction. The correlation of the book involves evidence. direct evidence and circumstantial evidence. witness testimony. hearsay evidence. from testifying privilege. scientific evidence. expert testimony. physical evidence and other evidence law. American law of evidence in the course of its development. and how...
