Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The New Criticism: A Lecture Delivered at Columbia University, March 9, 1910 With a woman s revengefulness and a woman s sensuousness, a critic without a standard without firmness, and without backbone. Here it is the impressionist in sainte-beuve that arouses the German s wrath. But in the same breath we find Nietzsche blaming him for holding up objectivity as a mask; and it is on this objective side that sainte-beuve becomes the source of all those historical and psychological forms of critical study which have in?uenced the academic thought of our day, leading insensibly, but inevitably, from empirical investigation to empirical law. The pedigree of the two schools thereafter is not difficult to trace: on the one side, from Sainte Beuve through l art pour l art to impressionism, and on the other, from sainte-beuve through Taine to Brunetiere and his egregious kin. French criticism has been leaning heavily on the idea of expression for a century or more, but no attempt has been made in France to understand its aesthetic content, except for a few vague echoes of German thought. For the first to give philosophic precision to the theory. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
