BH Books, 2017. Hardback. Condition: New. Language: English . Brand New Book. Every Christian isn t called to adopt, but everyone is called to care for orphans. The evangelical adoption movement is but one strand in a long cord of Christian care for orphans. While adoption trends have fluctuated over time in different contexts, the Bible has not changed its position. The gospel is decidedly pro-adoption and on the side of the orphan. Yet many obstacles stand in the way of the Christian s mission to provide care to the least of these. So, what now? Editors Russell Moore and Andrew T. Walker of the Ethics and Religious Liberty Commission (ERLC) assemble leading voices to frame the issues with a gospel-centered perspective. The Gospel for Life series gives every believer a biblically-saturated understanding of the most urgent issues facing our culture today, because the gospel is for all of life.
