

Global Media Spectacle: News War over Hong Kong (Paperback)

Filesize: 7.83 MB

Reviews

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
(Nannie Lindgren Jr.)

GLOBAL MEDIA SPECTACLE: NEWS WAR OVER HONG KONG (PAPERBACK)

State University of New York Press, United States, 2002. Paperback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****. Focusing on the global media coverage of Hong Kong's transfer from Britain to China, Global Media Spectacle explores how the world media plan, operate, compete, and produce a historical record during significant global events. The authors interviewed seventy-six print and television reporters from the United States, Britain, the People's Republic of China, Hong Kong, Taiwan, Australia, Canada, and Japan to delve into the revealing world of writing first drafts of history from reporters' vantage points. Punctuated with witty and incisive examples, the book provides a useful description of contestation and alliance, themes and variations, and convergence and divergence between and within various blocs of nations.
