Anthem Press, United Kingdom, 2002. Paperback. Book Condition: New. First Edition, First ed.. 234 x 155 mm. Language: English Brand New Book ***** Print on Demand *****.Income - Poverty and Beyond emphasizes the need to go beyond the conventional definition of poverty and look at the various human aspects of the problem. The perceptions of the poor in assessing their own poverty and in developing policies to improve their status are discussed, and an epilogue appeals to the national and international community to take serious note of human poverty in the midst of which we...
