Ready for Battle by Dr. Al Capers is a Christian book written to help prepare readers for the spiritual war that is raging in the world today. If you ve ever wondered why life feels tough, then you re not alone; as Christians we are often discouraged by the sin in the world and need to be properly spiritually equipped to fight this battle against the devil, who knows his time is short and tries to get us in any way he can. In order to be properly equipped for this spiritual battle, we must pray without ceasing. This book will help you gather the weapons of warfare, most importantly prayer, so you will discover how to become an overcomer in Christ and never give up on His plans and purposes for your life.
