Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Future of the Indo-British Commonwealth I had the opportunity of reading the manuscript of this little book. I was so impressed with its outlook that I have asked leave to write a few lines on the subject. To the whole of the diagnosis of the present state of affairs throughout the British Empire, I do not profess to commit myself. I do not know enough, and I do not think anyone can know enough, to be certain of all the ground. What interests me is the breadth of outlook, and a certain quality in the estimate of results, amounting to brilliance. The author sees, as others of us do, that the great war has precipitated what was already in solution. There is now a definite residuum which was not distinctly observable earlier. This is likely, not only to increase, but to be of increasing importance. For the rest, that from which the precipitation has come is growing clearer. For alarm, I doubt whether there is any real cause at all. The process in operation to-day is one which has been as unavoidable as it has been natural. It is only if we are narrow minded and try to interfere artificially with What we cannot safely endeavour to arrest, that danger is likely to arise. The age is one of a tendency which has become both obvious and universal. But it is taking effect within the limits of human nature - human nature, which is everywhere in the main the same, and which history has shown to be in the end dominating for good when not interfered with. What we have to do is to cultivate in our selves and in our...
