## IN SEARCH OF OUR MOTHER S GARDENS (PAPERBACK)

Orion Publishing Co, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. The first collection of Alice Walker s non-fiction spanning fifteen years in the career of this remarkable writer.This collection of essays is a celebration of the legacy of creativity - especially the rich vein of women s stories and spirituality through the ages and how they nourish the present.Alice Walker traces the umbilical thread linking writers through history - from her discovery of Zora Neale Hurston and her collections of black folklore, to the work of Jean Toomer, Buchi Emecheta and Flannery O Connor. She also looks back at the highs and lows of the civil rights movement, her early political development, and the place of women s traditions in art.Coining the expression womanist prose , these are essays that value women s culture and strength, and the handing on of the creative spark from one generation to another.
