HEAD FIRST DESIGN PATTERNS POSTER

O'Reilly Media, Inc, USA. Poster. Book Condition: new. BRAND NEW, Head First Design Patterns Poster, Elisabeth Freeman, Eric Freeman, You know you don't want to reinvent the wheel (or worse, a flat tire), so you look to Design Patterns - the lessons learned by those who've faced the same problems. With Design Patterns, you get to take advantage of the best practices and experience of others, so that you can spend your time on something else. Something more challenging. Something more complex. Something more fun. "Head First Design Patterns Poster" is a companion to "Head First Design Patterns". It summarizes visually, 16 of the most common design patterns including Adapter, Command, Composite Decorator, Observer, Proxy, State, Singleton, Strategy, and more. Each pattern includes a handy page reference to both "Head First Design Patterns" and the "Gang of Four" text, the canonical description of the pattern, and a visual guide designed (and inspired by the examples in "Head First Design Patterns") to jog your memory of the objects, classes and their relationships. In addition, the poster includes the "best of" the "Head First Guide to Better Living with Patterns," including how to read a patterns catalog, the power of a shared vocabulary and annihilating evil with anti-patterns. Visually appealing and truly useful, "Head First Design Patterns Poster" contains what you need to know at a glance. "Head First Design Patterns" and this companion poster are a great combination that will load patterns into your brain in a way that sticks.
