Without a client to flatter, without a friend to console you, and with only one companion from the honest house of Bloomsbury, you must now retire into a dreadful solitude. At the most active period of life, you must quit the busy scene, and conceal yourself from the world, if you would hope to save the wretched remains of a ruined reputation. The vices operate like age-- bringing on disease before its time, and in the prime or youth leave the character broken and exhausted. Yet your conduct has been mysterious, as well as contemptible. Where is now that firmness, or obstinacy, so long boasted of by your friends, and acknowledged by your enemies? We were taught to expect that you would not leave the ruin of this country to be completed by other hands, but were determined either to gain a...
