A. music station, its my job to give the single guys perspective on dating, love, and sex, and Im killing it in the ratings. The best part I have to stay single (its in my contract) and with a faux British accent on air, no one knows who I really am. The mystery is part of my impressive appeal. I love my job. Im great at it. I have no trouble getting a date or getting laid. Until I meet her. Teague Watters. Shes a breath of fresh air, and I cant stop thinking about her. As a rule, I always leave women wanting more. But this time I want more. Teague is into me, I can see it in her eyes, yet shes playing hard to get. Well, bring it, because Im game for the chase.
