

9787030340191 strong interaction Quantum Field Theory(Chinese Edition)

By ZHAO XI . ZHAO SHU SONG ZHU

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date :2012-05-01 Pages: 251 Publisher: the Basic information Science Press title: strongly interacting quantum field theory List Price: 56.00 yuan: Zhao Xi. Zhao Shusong Publisher: Science Press Publication Date: 2012 -5-1 ISBN: 9787030340191 Words: 317.000 yards: 251 Edition: 1 Binding: Paperback: 16 Weight: Editor's Choice div executive summary of experimental data generated from a large number of N hadrons (both from CERN. EHSNA22. UA1. the UA2. UA5. TASSO experiments institutions the subsets dynamical symmetry and nonlinear quantum field joint of partial differential equations. and a combination of both. the approximate analytical solution with a fundamental solution. N-point truncated Green functions) which are summarized . whereby the interpretation of a number of expressions fit the experimental data. in particular. performance of the probability density and quality produced in the hadron strong interaction and weak interactions relationship; on this basis. combined with experimental data and theory itself. The principle of interacting quantum field improved and supplemented. Strongly interacting quantum field principle. expression and their relationship portrayed built in Schwartz distribution. generalized functions basis point set topology and measure dimension theory....

Reviews

Completely among the best ebook I actually have possibly read. It can be rally fascinating through reading through period of time. I am very easily can get a pleasure of studying a written ebook.

-- **Mr. Antone Rogahn Sr.**

I actually started out looking at this publication. it was actually writtern really perfectly and useful. Its been written in an extremely simple way and it is only soon after i finished reading through this pdf by which really modified me, change the way i really believe.

-- **Breanna Kerluke**
