USING NUMBERS IN ARABIC (PAPERBACK)

Georgetown University Press, United States, 2013. Paperback. Condition: New. Bilingual. Language: English. Brand New Book Using Numbers in Arabic is an invaluable reference for the intermediate to advanced learner of Arabic. The proper use of numbers can often be perplexing for students of the Arabic language. While most Arabic grammars and textbooks include a chapter or discussion on the topic, that coverage is inadequate for serious students, scholars, and researchers. This guide shows the reader, using clear explanations and...
