AUTHORHOUSE, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Molly Price isn't a celebrity. She's never been on a reality show or had her name thrown about in the gossip column. But, like so many of us, she has a story to tell. And what a story it is! From an amazingly complicated upbringing with twists and turns that seem at times to be unbelievable, Molly is able to draw you into her world. It's a world that you may find to be completely different from your own, but most likely you'll be able to find so much to relate to as she introduces you to her family, her friends, and a host of situations that will make you giggle and even tear up, often times in the same sentence. Amazingly insightful, Molly understands the value of the little things in life, knowing that at any moment the life she thought she had finally figured out, just might be rocked from its core, and everything changes. It takes a very open mind to be able to see the good in the worst of times, but that is just Molly. Even in cases of the most horrifying memories from her childhood, White Trash Princess offers a new perspective that will make you see things differently, maybe even think about the kind of legacy you hope to leave behind for those in your life. Brook Morello.
