

Embers of Revival: Coals from the Lakeland Revival (Paperback)

By Jason C Davis

Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Embers Of Revival is full of poetry written while attending the Lakeland Florida Outpouring. The Lord did such a marvelous work in my body and mind there and placed words inside my heart that I could not just keep in there. The Lord did move in Lakeland in spite of what men might have done. God moves in spite of us. Every service I went to with a heart of thanksgiving and every service I left with a notebook full of things He had placed in my heart. Brothers and sisters I urge you that no matter where you go to church that you would go with that attitude of praise unto God and then no matter what happens your focus will have been upon God and not on that of man. I pray that the words in this book encourage and charge your spirits. For even now as I read these words they become as Embers Of that Revival in my heart and soul. God bless you.
