Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Mankind has been around a lot longer than you have been told. From countless numbers of physical evidence, Written text, historic record, and scientific determination, we know people live with dinosaurs and many were killed before the end of the Cretaceous Period. Many that remained died when the dinosaur Age died. A third mass extermination occurred about 11 thousand years ago followed by another extinction 10 thousand years ago as the end of the Pleistocene showed its ugly head. Mankind would flourish fro another 4 thousand years before a huge war destroyed 1/3 of the population. Finally, a 6th mass extermination is predicted in the near future by a large number of well known seers. This book describes what should have been provided in our schools.
