Children are an important part of the worshiping community and need to have opportunities that create for them a sense of belonging. Childrens sermons provide this opportunity and should be events of proclamation. Help! Im Leading a Childrens Sermon, Volume 2 continues a collection of childrens sermons designed to involve children creatively in worship and in the proclamation of the Word. Like the first volume, this collection contains two sermons for each Sunday with an emphasis on Scripture, including key verses to be read within the sermon. The sermons invite children to participate in corporate worship in a meaningful, creative way by asking questions and using hands-on activities to explain themes such as grace, discipleship, repentance and miracles.
