BLACK TARANTULA (PAPERBACK)

[DOWNLOAD](#)

Journey Pubns, 2015. Paperback. Condition: New. Almovadar (illustrator). Language: English . Brand New Book. Harken back to the Golden Age of Piracy, an exceedingly brief but highly memorable epoch. Launched at the beginning of the 1700 s, this unforgettable twinkling in time spawned such notorious and celebrated reprobates as Blackbeard, Calico Jack and Black Bart to name but a few. Glamorized and sensationalized by novels and the silver screen to an unrealistic and surreal level, these nautical hooligans have been cast in the roles of noble, gallant, misguided or misunderstood daredevils and protagonists. These erroneous portrayals could not be any further from the truth. In reality, pirates were notorious criminals and despicable cowards responsible for wonton acts of savagery, barbarity and bloodthirstiness. Bilge Rat Pirate Adventurer paints a vastly different and much more realistic picture of the harsh and brutal world of pirates. Expunged are the orchestrated swashbuckling duels amongst rivals, the storied histrionics of saving damsels from unspeakable defilement, the Hollywood-created fantasy of innocents walking the plank to their eternal doom and the ridiculous folly of these fiends actually burying hard-fought booty on some deserted atoll. Rather, this unique and action-packed series depicts a realistic and genuine account of life amongst these sea vultures, while providing a highly powerful and entertaining reading experience. The series centers on a young lad and his lifelong trials and tribulations. Orphaned as a youth, our hero is forced to flee his beloved homeland due to the evil machinations of a despicable bully. Highly educated by a cleric uncle and fluent in a slew of foreign languages, the youth is forced to quickly adapt to the rigorous and unmerciful life as a sailor. By fate s grace, the burgeoning tar has been gifted with a special ability to duplicate all manner of sounds and...
