Baker Publishing Group, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. When Candice Curry was a little girl, she put her hand in her father s back pocket so that she wouldn t get lost in large crowds. Little did she know that as she followed him, he was plying his trade: conning people. Her family drove stolen cars, lived in stolen houses, and shopped with stolen credit cards. Drug use was regular, as were visits from strange people who were trying to track her father down. Though she eventually cut ties with her father, Candice could not ignore the scars that were left from her childhood. This is her story, one steeped in secrets but one that, ultimately, led her to a place of forgiveness and freedom. As she struggles to understand her criminal father, as well as her own imperfect life, Candice comes to realize that we are not defined by our circumstances but rather by how we react to those circumstances. She s found peace in the knowledge that God doesn t love us because we re perfect—but because he is.
