The Quay Brothers: Into a Metaphysical Playroom

By Suzanne Buchan

Univ Of Minnesota Press. Paperback. Condition: New. 296 pages. This work is the first thorough analysis of the creative oeuvre of the Quay Brothers. Known for their animation shorts that rely on puppetry, miniatures, and stop-motion techniques, their fiercely idiosyncratic films are fertile fields for Suzanne Buchan's engaging descriptions and provocative insights into the Quays' art and into the art of independent puppet animation. Buchan's aesthetic investigation stems from extensive access to the Quay Brothers' artistic practices and work, which spans animation and live-action film, stage design and illustration. She also draws on a long acquaintance with them and on interviews with collaborators essential to their productions, as well as archival sources. Discussions of their films' literary origins, space, puppets, montage, and the often-overlooked world of sound and music in animation shed new light on the expressive world that the Quay Brothers generate out of their materials to create the poetic alchemy of their films. At once a biography of the Quays' artistic trajectory and a detailed examination of one of their best-known films, *Street of Crocodiles*, this book goes further and provides interdisciplinary methodologies and tools for the analysis of animation. This item ships from multiple locations. Your book may...

Reviews

The publication is great and fantastic. It is packed with knowledge and wisdom. You will like how the article writer publishes this publication.

-- Mrs. Alta Kling V

Complete guide! It's such a great study. I am quite late in starting reading this one, but better than never. It is extremely difficult to leave it before concluding, once you begin to read the book.
