

The Mosquito Tapes

By Chris Holmes

Highland Press, United States, 2009. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Jack Youngblood is a ghoul. That's what his friends call him. More comfortable in the morgue than the coffee shop, Jack is San Diego's Chief Medical Examiner. Dead bodies are his business. A twice-divorced recovering alcoholic, Jack hasn't had a date since he's been sober. His only commitment is to his work; his only love is Lilly the lab who shares his home. When red-haired, green-eyed Jill Hanraty, a Forensic Investigator, joins his department, Jack falls for her like a mountain climber losing his grip. Together they investigate a pair of baffling homicides. Jill becomes more than Jack's colleague—more than a friend. Until she betrays him. Part love story, part forensic police procedural, this fast-paced novel is full of chases, plot twists, a dramatic climax, and an on-again, off-again romance as mysterious as the murder investigations themselves.

Reviews

A really great publication with perfect and lucid explanations. Of course, it is play, continue to an amazing and interesting literature. I discovered this book from my i and dad suggested this publication to find out.

-- **Dr. Augustine Borer**

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
