

Woman - Powered Farm: Manual for a Self-Sufficient Lifestyle from Homestead to Field

By Audrey Levatino

WW Norton Co, United States, 2015. Paperback. Book Condition: New. 226 x 190 mm. Language: English . Brand New Book. Women are leading the new farming revolution in America. Much of the impetus to move back to the land, raise our own food, and connect with our agricultural past is being driven by women. They raise sheep for wool, harvest honey from their beehives, grow food for their families and sell their goods at farmers markets. What does a woman who wants to work the land need to do to follow her dream? First, she needs this book. It may seem strange to suggest that women farmers need a different guide than male farmers, but women often have different strengths and goals, and different ways of achieving those goals. Audrey Levatino shares her experiences of running a farm and offers invaluable advice on how to get started, whether you have hundreds of acres or a simple lot for an urban community garden. Filled with personal anecdotes and stories from other women farmers, from old hands to brand new ones, from agricultural icons like Temple Grandin, to her own sister, this book is a reassuring and inspirational guide that discusses: *...
