Ruskas Corner. Paperback. Condition: New. 354 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Climatic events at a 1983 masquerade ball are merely the beginning of a kaleidoscope of confusion and anarchy that threatens life and liberty of a society facing change and choices that will reverberate into the future known as now. Many in the upper society of the world of politics are counting on it to herald the dawn of a new political age, introducing the country to the leaders of tomorrow. Fears for the safety of the guests take a backseat to concerns as to which politician or socialite will get to wear which costume. All the men want to be Louis XVI and all the women covet the costume of Marie...
