

Rekindling of Hope

By Doug Lavers

D Books. Paperback. Condition: New. 210 pages. Dimensions: 8.0in. x 5.2in. x 0.5in. It is the year 2022. Planet Earth is clearly in serious trouble, and an alien super intelligence called The Bearing has finally decided to intervene to stop humanity from imploding by appointing a human overseer. In order to help save the planet from destruction, the overseer implements a strategy with the help of an associated support group that includes two women who are nearly opposite in character. As the overseer and the two women work out their emotional issues, the world they should be protecting is starting to crumble. From China to the United States, this dramatic sci-fi novel follows the political and economic problems affecting the countries as well as the emotional turmoil between the overseer and his female support system. Offering a story of political warfare, shifting geographical and scientific schools of thought, sabotage, love, and a journey to worldwide reform, author Doug Lavers promises nothing less than a spectacular view into the impending future of Earth if universal governance cannot be achieved in time. With a degree in chemistry from Oxford University as well as an MBA, Doug Lavers has worked at a stock brokers...
