

Spaceman : An Astronaut's Unlikely Journey to Unlock the Secrets of the Universe

By Mike Massimino

Simon & Schuster UK Okt 2016, 2016. Taschenbuch. Condition: Neu. Neuware - Mike Massimino's compelling memoir takes us on a brilliant journey where the nerdiest science meets the most thrilling adventure to reveal what 'the right stuff' truly is. Many children dream of becoming an astronaut when they grow up, but when NASA rejected him, he kept on trying. Even being told his poor eyesight would mean he could never make it didn't stop him; he simply trained his eyes to be better. Finally, at the third time of asking, NASA accepted him. So began Massimino's 18-year career as an astronaut, and the extraordinary lengths he went to to get accepted was only the beginning. In this awe-inspiring memoir, he reveals the hard work, camaraderie and sheer guts involved in the life of an astronaut; he vividly describes what it is like to strap yourself into the Space Shuttle and blast off into space, or the sensation of walking in space, as he did when he embarked on an emergency repair of the Hubble telescope. He also talks movingly about the Columbia tragedy, and how it felt to step into the Space Shuttle again in the aftermath of that disaster. Massimino...
