Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Cavalier in America The twin sponsors of American colonization were two cavaliers during the days of Queen Elizabeth - Sir Humphrey Gilbert and his half-brother, Sir Walter Raleigh. They conceived the idea, that to destroy the superiority of Spain, England must plant a colony in the New World. Accordingly the former obtained a patent of colonization in 1678, and attempted to establish a settlement in the neighborhood of Newfoundland. The attempt proved futile, and in the effort the noble Gilbert was drowned in the waves of the angry ocean. His last words will ever be kept in precious remembrance: We are as near heaven by sea as by land. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
