Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The recording sessions for Let It Be actually began as rehearsals for a proposed return to live stage work for the Beatles, to be inaugurated in a concert at a Roman amphitheatre in Tunisia. In this thoroughly researched book, Steve Matteo delves deep into the complex history of these sessions. He talks to a number of people who were in the studio with the Beatles, recording the sights and sounds of the band at work - bringing to life a period in the Beatles career that was creative and chaotic in equal measure.
