This season promises to be extraordinary, but it won t be the same without Da, who passed away at Christmastime. Finn O Brine stares out the window, taking it all in. He can t believe his father will never spend time with him again. And he can t believe there s a bat at his window-talking to him. Before his death, Mr. O Brine told Finn many stories about colossal dragons, sorcery, and the magic of Wickum Manor in Ireland-but they couldn t possibly be real, right? Wrong! Magic runs in the O Brine family; it s part of their heritage. Now thirteen, Finn will begin to show signs of his magical inheritance any day now. It s time for Finn; his twin sister, Neave; his younger brother, Jack; and his mother, Ailish, to leave the comfort of their home in America and journey to Wickum Manor themselves. They expect a summerlong adventure, but the O Brine children may not be as ready as they think. With all the fantastic things to experience and discover on the four-hundred-acre estate, will Finn want to enroll at the magical Wickum Academy, or will he choose to return to his friends and classes in America at summer s end?.
