

Over Our Heads: An Exploration Into Life, the Universe, and Everything

By MR James Sinclair

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Over Our Heads explores the very big and delves into the very small in a way ordinary people can understand. James Sinclair takes us on a journey from the atom, through to the DNA from which we are formed, to the stars from which we came. This is one book you don't need a PhD in astrophysics or quantum physics to understand. If you've ever looked at the stars and had trouble thinking that they are just like our Sun, then this book is for you. It packs so much into just a few pages that will get you looking up at the night sky with new wonder and awe. It's a book for all ages too. A 13 year old said about it, Over our Heads is a very good book that is easy to understand, It gives a comprehensive insight to the galaxy yet doesn't confuse the reader. It is very useful for beginners in astronomy. I didn't know how interested I was in the galaxy until I...
