## OMNEC ONEC: AMBASSADOR FROM VENUS (PAPERBACK)

Inner Light - Global communications, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. DO THEY LIVE HERE AMONGST US? Have Aliens Walked In To Earthly Bodies? I have often heard stories of human-looking, Nordic-like, aliens living amongst us, having become part of our society without the knowledge of their neighbors. They are even said to have married humans. The unique work you are now holding is the personal account of a living human being who was, with her full consent and active cooperation, transported to Earth in a spacecraft from her home planet. She arrived in the company of her paternal uncle after being carefully prepared and conditioned to live here and grow in the physical society of the native life-wave of our own planet. And the remarkable thing is that Omnec Onec is still here, perhaps getting ready to reemerge from hiding once more as our planet s people...
