Reviews

This is the very best pdf i actually have study right up until now. I could possibly comprehend almost everything using this created e book. Your daily life span will be enhance as soon as you total looking over this publication.
(Prof. Johnson Rutherford)

BIBLICAL INTERPRETATION 101: HISTORIC RULES FOR READING THE BIBLE

[DOWNLOAD](#)

Vineyard International Publishing, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The target reader of this book is the regular preacher of the scriptures, small group leaders, and the average committed Christian who wants to know how to read and interpret the Bible responsibly. As a 101 is aims to avoid difficult concepts and to cover a fairly wide field at an introductory level. Here are some of the subjects it covers: The act of interpretation is placed in a relational model, showing that humans are always engaging in interpretation, often unconsciously. We have certain natural skills to do so. Standard, historic principles and rules of interpreting scripture, normally found within the great tradition of the Reformers and the leaders of evangelical movements since then, are presented. Once this foundation has been laid, other diverse approaches to biblical interpretation are described. The second part of the book deals with the relationship between the Old Testament and the New Testament, providing a basic understanding of Rabbinical approaches current during the New Testament era, the unique way Jesus read and interpreted the Old Testament, and how this influenced the Christian movement and its writers. The final section deals with revelatory experiences of the Holy Spirit, or charismatic approaches to interpretation, and how this dimension relates to and is balanced by a commitment to the rule of faith, or ecumenical Christian tradition and its historic rules of interpretation.
