## GRAEHARES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.quot;First they got mad . then they got even.quot; Realizing that they can longer afford to retire, a rag-tag band of unemployed baby boomers decides to fight back. Moving north of the city to a dilapidated lakeside resort, nestled among the rocks and pines of pristine Lake Muskeggie, the boomers establish a commune called Graehares. When they begin flooding the town with their bizarre handicrafts - in full view of the multi-million dollar vacation homes of their horrified former bosses and colleagues - all hell breaks loose. A grizzled war correspondent, sidelined for the summer with a broken leg, inadvertently ends up at the old resort, too. As he begins to observe and secretly document this off-the-wall fight for survival, he discovers as much about life, love and the tenacity of the human spirit as he could on any frontline battlefield.
